ABOUT ME:

I am a full-stack software developer with a drive to work on useful web applications that improve the lives of those who use them. I am passionate and motivated to work on problems that improve my ability to progress and contribute to Artificial General Intelligence and Space Exploration.

SKILLS:

- Ability to program with **Javascript, Typescript, MongoDB, Express, React, Node.js., Python, Django, Flask, SQL, GIT/github.com, HTML, CSS, AWS, Google Cloud.**
- Possesses **exquisite people skills** and knows how to **communicate effectively**.
- Positive and **enthusiastic about working with other people** and team building.
- **Self-motivated** and thrilled when faced with opportunities and challenges.
- Hard-working, industrious, and **enthusiastic about taking on responsibility**.
- Prioritizes **honesty and trustworthiness** being someone who always be counted on.

PROJECTS:

Glossa Galore— *A full-stack language-learning web app*

https://github.com/rileygramlich/glossa-galore
- Glossa Galore is a branded social network app that I created that utilizes flashcards for learning.
- Built with the MEN stack (MongoDB, Express, Node).

Checkers — *Browser-based version of Checkers*

https://github.com/rileygramlich/checkers

- A web-based version of the ancient game of checkers.
- Built with DOM manipulation utilizing the languages JavaScript, HTML, and CSS.

EDUCATION:

General Assembly, Toronto —Software Engineering Immersive
OCT 2022 - JAN 2023
- In process of completing a 3 month, 480 hr bootcamp covering practical industry-related full-stack skills: building apps with MERN stack and Python/Django/SQL; using GIT.

EXPERIENCE:

Little Smokey Forestry Services, Grande Prairie AB —Treeplanter
MAY 2019 - AUGUST 2022 (Seasonally)
- Used team building skills and effective communication working in a crew of 10 to accomplish planting the daily target of trees (up to 30,000 trees/day).
- Used great attention to detail managing the density of the trees, where the land has been planted, and working safely with a helicopter on a daily basis.
- Employed the skill of adaptability when challenged with land that has many obstacles.

Visions Electronics, Edmonton AB —Sales Associate, Warehouse Worker
DEC 2018 - MAR 2020
- Demonstrated accountability skills hitting regular sales targets and used quality communication assisting customers to find the product that suits their needs.

Three Hills Aquatic Centre, Three Hills AB—Senior Lifeguard, Instructor
JUL 2017 - JUL 2018
- Demonstrated leadership skills acting as a primary supervisor for the whole pool
